

Dear Whimsical Friends,

Thank you for inviting Abe the Moose into your home this Thanksgiving season! We created this Interactive Thanksgiving Guide to help bring his story to life in a meaningful and engaging way for your family.

As the autumn leaves change and we prepare for the season of gratitude, Abe's story reminds us that we are all created with purpose—and that thankfulness can change the way we see ourselves and others. Just as Abe discovered the beauty in who he was made to be, we hope your family will take time to reflect on the blessings, big and small, that fill your lives.

To fully experience the interactive elements of this story, we invite you to join in a special Thanksgiving tradition: We suggest finding your very own **Abe the Moose** that comes to spend the month of November with you and your family as a gentle reminder to be thankful! He will bring a set of leaves for your family to write out daily what they are thankful for.

We are providing you with printable ones you can cut out or feel free to find your own.

Whatever works best for your family.

🌿 Abe's Thankful Leaves 🌿

Abe brings blank leaves for your family to write down what you're thankful for each day in November. You can display them in a way that fits your home and traditions:

- **A small light-up tree** 🌟 – Clip or hang your thankful leaves as they are written.

- **A string with clips** 🏠 – Create a garland of gratitude.
- **A homemade tree on the wall** 🌳 – Draw or craft a tree and attach your leaves as a visual reminder of thankfulness.

This simple yet meaningful activity encourages daily reflection, gratitude, and togetherness, helping your family cultivate hearts that see God's goodness in every season.

Like our other interactive books, this guide is designed to be flexible—so make it your own! Whether you follow it throughout the entire month or simply for a few special days, we hope it sparks meaningful moments, joyful memories, and a tradition your family will treasure for years to come. Thank you for allowing us to be part of your Thanksgiving celebration. May your home be filled with love, gratitude, and the warmth of togetherness.

With heartfelt thanks,
The Whimsy Gals

I'm Abe the moose, so big and free,
With antlers grand for all to see!
This season, I've come to be with you,
To share God's blessings—pure and true.
At times, I thought I was too tall,
Too big, too clumsy—no help at all!
But then I learned, in a time of need,
That God made me just right indeed.
Throughout November, I'll be around,
Helping you see where blessings are found.
Each day, I'll bring a leaf your way,
For you to write what thanks you'll say.
Save them, share them, place them with care,
A reminder of blessings everywhere.
Big or small, each one's a part,
Of God's great love within your heart.
So look around, and you will see,
Endless reasons to give thanks with me!
Your grateful friend,
Abe
